Two Northeast Conference Teams Open Play This Weekend

The Northeast Football Conference's 15th season opens this weekend with a pair of non-conference games. ASA takes on the Albright junior varsity squad, while Erie Community College plays the College of DuPage (Ill.) Saturday.

The Kats of Erie Community College were 2-7 overall and 2-4 in conference action last year. ECC also returns three starters on each side of the football. ECC played at DuPage last season and suffered a 20-15 loss to the Chaparrals who won the 2010 Graphic Edge Bowl. ECC is led by 11th-year head coach Dennis Greene who has compiled a 55-45 record with the Kats,

League play opens Sept. 3 when Erie CC is at Louisburg (N.C.) College. Louisburg is in its first year of NFC membership.

The Northeast Football Conference features three teams ranked in the NJCAA Preseason Top 25, released Aug. 2. Leading the way in 11th is Nassau Community College, the reigning league champion. Nassau CC, which went 11-0 in 2010, is also the preseason favorite to win the conference crown. Lackawanna College is picked 20th while Dean College is 25th in the national poll.
